Determination of Customs Values of Raw Plain Decorative Paper
Under Section 25-A of the Customs Act, 1969

(VALUATION RULING NO. 1025/2017)

No. DG/VDB/Ref/105/2016-III

1258

Dated: 1st February, 2017

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, the Customs values of Raw Plain Decorative Paper are determined as follows:-

2. **Description of the valuation issue:** The Customs values of Raw Plain Decorative Paper were circulated vide VDB letter No.111 dated 02.12.2016. Certain importers have requested to convert the same in a Valuation Ruling. An exercise was conducted to determine Customs values of Raw Plain Decorative Paper in line with current price trend in the international market.

3. **Stakeholder's participation in determination of Customs values:** Stakeholders' meeting was scheduled on 01-02-2017. All participants were requested to submit the following documents:

- i. Invoices of imports during last three months showing factual value.
- ii. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- iii. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- iv. Copies of Sales Tax Invoices issued during last three months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. The meeting was attended by several importers of raw plain decorative paper. The importers requested that the prices of the subject commodity were lower in the international market as compared to the values circulated vide VDB letter 111 dated 02-12-2016 which were actually values of a different type of quality and colour import of which is less compared to total quantity of import of raw plain decorative paper. They brought along different samples and explained that prices varied considerably according to colour, quality and quantity of the Raw Plain Decorative Paper imported. They further submitted that a single value may be notified for different types of import of Raw Plain Decorative Paper on average values which will ensure smooth clearance and also protect the government revenue. They added that their values are declared correctly and if there is an increase in the values in

subsequent days, they will declare these higher than the valuation ruling notified by the Directorate of Valuation. Some importers submitted sales contracts and commercial invoices, however, the remaining requisitioned documents were not submitted by the importers.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed. Transaction value method provided in Section 25 (1) was found inapplicable because the requisite information was not available as per law. Identical / similar goods value methods provided in Section 25(5) & (6) were also not found helpful in determination of values due to wide variation in values. Thereafter, market enquiry as envisaged under Section 25(7) of the Customs Act, 1969, could not be conducted because the subject goods are industrial item. Online values were also checked. Since the manufacturers' costs and raw material prices of producing the goods in question in the country of exportation were not available, computed value method as provided in Section 25(8) could not be applied for valuation of the aforesaid goods. Consequently, reliance was placed upon Sub-Section (9) of Section 25 of the Customs Act, 1969, and customs values of Raw Plain Decorative Paper were determined under Section 25(9) of the Customs Act, 1969.

6. **Customs Values of Raw Plain Decorative Paper hereinafter specified,** shall be assessed to duty/taxes on the Customs values mentioned against them in the Table below:

S. No.	Description of Goods	PCT	Proposed PCT For WEBOC	Origin	Customs Values (C&F) US\$/kg

2	Decorative Paper width 1250mm	4805.9190	4805.9190.1100	Other origins	2.40

3. *Note: The customs values mentioned above shall not be applicable on Printed Decorative Paper. The same shall be assessed under Section 25 of the Customs Act, 1969.*

7. In cases where declared / transaction values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officer shall take into account air freight while applying the Customs values determined in this Ruling.

8. **Validity of Valuation Ruling:** The values determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A of the Customs Act, 1969.

9. **Review of the value determined vide this Valuation Ruling:** A review petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30

days from the date of issue, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

10. The Collectors of Customs may kindly ensure that the values given in this Valuation Ruling for the given description of goods are applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of Directorate General immediately.
