In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of LED Christmas/Rice/Festival Decoration Lights (Larri) are determined as follows: -

2. Back ground of the valuation issue: This Directorate General has earlier circulated reference customs values of LED Christmas /Rice/Festival Decoration Lights, imported in different Colours, vide Valuation Data Base Letter No.60/2016, dated 20-10-2016. References were received from different stakeholders including M.C.C (Appraisement)- East & West, Karachi, regarding downward revision of Values notified through VDB No.60. Meanwhile upon suggestion of the clearance Collectorate the VDB letter was withdrawn. However, this Directorate General initiated an exercise for determination of customs values of LED Christmas/Rice/Festival Decoration Lights (Larri) under Section 25A.

3. Stakeholders' participation in determination of Customs values: Meetings with stakeholders were held on 15-12-2016, 10-01-2017 and 31-01-2016. The stakeholders were requested to furnish the following documents before or during the course of above said meeting:-

- Invoices of imports during last three months showing factual value.
- Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. However no stakeholder turned up for the meeting neither any requisite evidences/documents were received. Hence this Directorate General proceeded further for issuance of Valuation Ruling under the law.

5. Method adopted to determine Customs values: Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at customs value of LED Christmas/Rice/Festival Decoration Lights (Larri). Transaction value method provided in Section 25 (1) was found inapplicable owing to wide variation in the values being declared to the customs and incomplete descriptions. Identical/ similar goods value methods provided in Section 25 (5) & (6) were examined for applicability to the valuation issue in the instant case which provided some reference values of the subject goods but the same could not be exclusively relied on due to wide variation in declared values of subject goods. Thereafter, market enquiry as envisaged under Section 25 (7) of the Customs Act, 1969, was conducted. A number of items sold in the local market were obtained and customs values were worked back from the same. Online prices were also obtained to corroborate the findings of the market surveys. The customs

values of LED Christmas/Rice/Festival Decoration Lights (Larri) have been determined under Section 25 (7) of the Customs Act, 1969.
