Determination of Customs Values of Printed Decorative Papers
Under Section 25-A of the Customs Act, 1969

(VALUATION RULING NO. 1127/2017)

No. Mics/24/2017-III / 1062

Dated: April 14th, 2017

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, the Customs values of Printed Decorative Papers are determined as follows:-

2. **Description of the valuation issue:** The Customs values of Printed Decorative Papers were circulated vide VDB letter No.221 dated 28.02.2017. It was deemed expedient to issue a Valuation Ruling hence an exercise was conducted to determine Customs values of Printed Decorative Papers in line with current price trends in the international market.

3. **Stakeholder's participation in determination of Customs values:** Stakeholders' meeting was scheduled on 23.03-2017 & 11-04-2017. All participants were requested to submit the following documents:

- i. Invoices of imports during last three months showing factual value.
- ii. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- iii. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- iv. Copies of Sales Tax Invoices issued during last three months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. The meeting was attended by importers of Printed Decorative Papers. The importers requested that the prices of the subject commodity were lower in the international market as compared to the values circulated vide VDB letter No. 221 dated 28.02.2017. The clearance data and values prevalent in the international market were discussed at length and the values were unanimously decided after detailed deliberation on quantity, designs and type of printed decorative papers imported.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed. Transaction value method provided in Section 25 (1) was found inapplicable because the requisite information was not available as per law. Identical / similar goods value methods provided in Section 25(5) & (6) were examined which provided some reference values but not found helpful in determination of values due to variation in values. Market enquiry as envisaged under Section 25(7) of the Customs Act, 1969, could yield no results because the subject goods are industrial item. Online values were also checked. Since the manufacturers' costs and raw material prices of producing the goods in question in the country of exportation were not available, computed value method as provided in Section 25(8) could not be applied for valuation of the aforesaid goods. All the information so gathered was evaluated and consequently, reliance was placed upon Sub-Section (9) of Section 25 of the Customs Act, 1969, and customs values of Printed Decorative Papers were determined under Section 25(9) of the Customs Act, 1969.

6. **Customs Values of Printed Decorative Papers *hereinafter specified*,** shall be assessed to duty/taxes on the Customs values mentioned against them in the Table below:

S. No.	Description of Goods	PCT	Proposed PCT For WEOC	Origin	Customs Values (C&F) US\$/kg
(1)	(2)	(3)	(4)	(5)	(6)

2			4811.9000.1100	Other Origins	2.75

7. In cases where declared / transaction values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officer shall take into account air freight while applying the Customs values determined in this Ruling.

8. **Validity of Valuation Ruling:** The values determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A of the Customs Act, 1969.

9. **Revision of the value determined vide this Valuation Ruling:** A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

10. The Collectors of Customs may kindly ensure that the values given in this Valuation Ruling for the given description of goods are applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of this Directorate General immediately. Customs values determined in the ruling are for the description and specification as mentioned in the table above of this Ruling. HS Codes are mentioned for illustrative purpose so that valuation ruling values are made accessible to the assessing officers. The assessment shall be finalized on the basis of correct classification after fulfilling requisite formalities related to importability or any other certification required thereon. In addition to this, it is further necessary to verify that there is no mis-declaration of any sort or violation of Import Policy Order or Section 15 of the Customs Act, 1969 or any other law in vogue therein.

11. This Valuation Ruling supersedes the "Note mentioned at serial No.3 of Valuation Ruling No.1025 dated 01-02-2017".
