Determination of Customs Values of Zippers (Low end Brands) in cut to Size and Rolls under Section 25-A of the Customs Act, 1969

(VALUATION RULING NO. 114 / 2017)

No. Misc./09/2009-VIII (B)/IX

Dated: April 27, 2017.

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Zippers (Low end Brands) in cut to size and Rolls are determined as follows:

2. **Background of the valuation issue:** The customs values of Zippers (Low end Brands) in cut to size and Rolls were determined vide Valuation Ruling No.1112/2017, dated 24-03-2017. Certain importers filed a Revision Petition before the Director General of Customs Valuation, Karachi under Section 25D of the Customs Act, 1969, which were disposed of vide Order-in-Revision No.331/2017 (DG(V)Val.Rev/81/2017/1069), dated 17-04-2017, with remarks that reconsideration of customs values after providing opportunity of presentation to stakeholders. Therefore, this Directorate General re-initiated exercise for determination of customs values of the subject goods.

3. **Stakeholders' participation in determination of Customs values:** Meeting with stakeholders was held on 25-04-2017. The stakeholders were requested to furnish the following documents before or during the course of above said meeting:-

- Invoices of imports during last three months showing factual value.
- Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. During the meeting the stakeholders agitated that the zippers were used mostly in Export oriented industry and there was downward trend in prices in the international market, which was not reflected in the Valuation Ruling. They were of the view that zippers in Rolls should be treated leniently as the same were industrial items. The importers submitted some documents which have been considered for the determination of customs value, in addition to declarations of concessionary regime importers, which are higher in some cases, prices of YKK brand goods' export to tariff area and market prices of different imported zippers.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at customs value of Zippers (Low end Brands) in Cut to size and Rolls. Transaction value method provided in Section 25 (1) was found inapplicable owing to wide variation in the values being declared to the customs and incomplete descriptions. Identical/ similar goods value methods provided in Section 25 (5) & (6) were examined for applicability to the valuation issue in the instant case which provided some reference

values of the subject goods but the same could not be exclusively relied on due to wide variation in declared values of subject goods. Thereafter, market enquiry as envisaged under Section 25 (7) of the Customs Act, 1969, was conducted. A number of items sold in the local market were obtained and customs values were worked back from the same. Online prices were also obtained to corroborate the findings of the market surveys. Computed Value Method as provided in Section 25 (8) could not be applied for valuation of the aforementioned goods as the cost of raw material and fabrication charges under clause (a) and amount of profit and general expenses under clause (b) of Section 25 (8) of the Act, in the country of export, could not be ascertained. All the information so gathered was evaluated and analyzed for the purpose of determination of customs values of Zippers (Low end Brands) in cut to size and Rolls. Consequently, the Customs values of Zippers (Low end Brands) in cut to size and Rolls have been determined under Section 25 (9) of the Customs Act, 1969.
