Determination of Customs Values of Stationery Items-III (Miscellaneous) Under Section 25-A of the Customs Act, 1969

(VALUATION RULING NO.1183/ 2017)

No. Misc/06/2009-IX.Part-III /1428

Dated: June 16, 2017.

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Stationery Items-III (Miscellaneous) are determined as follows: -

2. **Background of the Valuation issue:** Customs values of Stationery Items were earlier determined vide Valuation Ruling No.961/2016, dated 11-11-2016. The customs values of some items were revised by the Director General of Customs Valuation vide Order-in-Revision No. 275/2016, dated 20-12-2016. Many importers filed appeals under Section 194-A of the Customs Act, 1969, against the Order-in-Revision, before the honourable Customs Appellate Tribunal, Karachi. The Tribunal set aside the Order-in-Revision vide order dated 21-01-2017. Meanwhile, some importers approached this Directorate General with the request for provisional clearances under Section 81 of the Customs Act, 1969, in the light of honourable High Court of Sindh, Karachi's judgment in C.P.No.6918/2015, dated 14-11-2015, read with honourable Supreme Court of Pakistan's order, dated 04-08-2016. As the previous Valuation Ruling needed revision in the light of above situation, an exercise was initiated to determine the customs values of Miscellaneous Stationery Items with a view to reflect the current prices prevailing in the international market.

3. **Stakeholders' participation in determination of Customs Values:** Meetings with stakeholders were held on 18-05-2017 and 25-05-2017. The stakeholders were requested to bring following documents to make the meeting fruitful.

- A. Invoices of imports during last three months showing factual value.
- B. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- C. Copies of Contracts made/LCs opened during the last three months showing the value of item in question.
- D. Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. The meeting was attended by different stakeholders. The stakeholders proposed that owing to differences in points of view of importers vis-à-vis local manufacturers in case of some items, the Valuation Ruling was being challenged by different stakeholders at various fora. They prayed that Raw materials notified vide Valuation Ruling No.961/2016, dated 11-11-2016 needed to be notified separately. Similarly separate Valuation Ruling for Pencils/Ball points/Pens of all sorts be issued and other miscellaneous items be notified separately through a third Valuation Ruling, so that litigation in case of one item may not stall imports of all 57 items notified vide one Valuation Ruling. This proposal was found reasonable and hence was accepted. For ease in reference this third Valuation Ruling is named as Valuation Ruling Stationery Items-III (Miscellaneous).

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at values of Stationery Items-II (Miscellaneous). Transaction value method provided in Section 25 (1) was found inapplicable due wide variation in the values being declared to the customs. Identical/similar goods value methods provided in Section 25 (5) & (6) were examined for applicability to the valuation issue in the instant case which provided some reference values of the subject goods but the same could not be exclusively relied on due to wide variations in declared values of subject goods. Thereafter, market enquiry as envisaged under Section 25 (7) of the Customs Act, 1969, was conducted; therefore different markets were surveyed for this purpose. Online prices were also obtained to corroborate the findings of the market surveys. Computed Value Method as provided in Section 25 (8) could not be applied for valuation of the aforementioned goods as the cost of raw material and fabrication charges under clause (a) and amount of profit and general expenses under clause (b) of Section 25 (8) of the Act, in the country of export, could not be ascertained. All the information so gathered was evaluated and analyzed for the purpose of determination of customs values. Online values were also obtained. Consequently, the Customs values of Stationery Items-III (Miscellaneous) have been determined under Section 25 (9) of the Customs Act, 1969.

6. **Customs Values for Stationery Items-III (Miscellaneous):** Stationery Items-III (Miscellaneous), as specified in Annexure-A to this Valuation Ruling, shall be assessed to duty/taxes at the Customs Values given against them in the Annexure-A (Pages:1 to 4)

7. In cases where declared/transaction values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of Sub-Section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officer shall take into account the differential between air freight and sea freight or in case of import through Land Customs Stations, the differential amount between the Sea freight and land transport charges while applying the Customs values determined in this Ruling.

8. **Validity of this Valuation Ruling:** The values determined vide this Ruling shall be the applicable Customs values for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A of the Customs Act, 1969.

9. **Revision of the value determined vide this Valuation Ruling:** A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue of this ruling, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

10. The Collectors of Customs may kindly ensure that the values given in this Valuation Ruling for the given description of goods are applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of this Directorate General immediately. Customs

values determined in the ruling are for the description and specification as mentioned in the tables above of this Ruling. HS Codes are mentioned for illustrative purposes so that valuation ruling values are made accessible to the assessing officers. The assessment shall be finalized on the basis of correct classification after fulfilling requisite formalities related to importability or any other certification required thereon. In addition to this, it is further necessary to verify that there is no mis-declaration of any sort or violation of Import Policy Order or Section 15 of the Customs Act, 1969 or any other law in vogue therein.

11. *This Valuation Ruling supersedes Serials Nos: 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34 and 42 of annexure to the Valuation Ruling No.961/2016, dated 11-11-2016.*
