DETERMINATION OF CUSTOMS VALUES OF ALMONDS
UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969

(VALUATION RULING NO. ¹²⁰⁹ / 2017)

No. Misc/12/2013-I

11829

Dated: 18-09-2017

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of **Almonds** are determined as follows: -

2. **Background of the valuation issue:** Customs values of almonds were earlier determined and notified vide Valuation Ruling No.1037/2016, dated 08-02-2017. Various importers filed review petition before the Director General under section 25-D of the Customs Act, 1969. The Director General vide Order-in-Revision No.323/2017 dated 07-04-2017 remanded back case for afresh exercise for determination of customs values of the item. Pursuant to the Order-in-Revision No.323/2017 dated 07-04-2017, an exercise was initiated to determine the customs value of almonds afresh.

3. **Stakeholders' participation in determination of Customs values:** Meeting with stakeholders was held on 21-08-2017. The same were attended by representatives of the importers. The importers were requested to submit the following documents so that correct customs values could be determined: -

- i) Invoices of imports during last three months showing factual value.
- ii) Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- iii) Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- iv) Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

However, no corroboratory documents were submitted in this Directorate General on or before the said scheduled meeting by any stake holder.

4. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were applied sequentially to address the valuation issue at hand. Transaction Value Method under Sub-Section (1) of Section 25 of the Act *ibid* was found inapplicable because required information under the law was not available. Identical and Similar Goods valuation methods provided in Sub-Sections (5) and (6) of Section 25 of the Customs Act, 1969 provided some reference values but due to wide variations in the declarations the same could not be relied upon exclusively. In the sequential order this office also conducted market inquiries in terms of Sub-Section (7) of Section 25 of the Customs Act, 1969. Input and feed back by the participants during the Stakeholders' meetings were also considered. Online available information was also checked. All the available information was analyzed and evaluated. Keeping all the above in view, Customs values of almond are determined under Sub-Section (9) of Section 25 of the Customs Act, 1969.

5. **Customs values for Almonds :** Almonds *hereinafter specified* shall be assessed to duty / taxes at the following Customs Values :-
