

GOVERNMENT OF PAKISTAN DIRECTORATE GENERAL OF CUSTOMS VALUATION CUSTOM HOUSE KARACHI

The Collectors of Customs, Model Customs Collectorates, Appraisement (East/West)/ Port Qasim/ Preventive), Karachi / Lahore (Appraisement / Preventive) / Sambrial (Sialkot) / Faisalabad / Multan / Islamabad/ Hyderabad/ Quetta / Peshawar/ Gawadar/ Gilgit-Baltistan

DETERMINATION OF CUSTOMS VALUE OF BRANDED LED TELEVISION SETS UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969

(VALUATION RULING NO. 675/2014)

No. Misc/07/2009-VIIIA

Dated: May 02, 2014

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969 the Customs values of branded LED Television Sets are determined as follows:-

1. Background of the valuation issue: Customs values of branded LED Televisions were determined under Section 25-A of the Customs Act, 1969, vide Valuation Ruling No.670/2014 dated 31-03-2014 on a reference from MCC Appraisement-West, Karachi vide letter C. No. SI/Misc/192/2014-VI dated 19-03-2014, in consideration of decline in import of LED Televisions due to its higher valuation. This Valuation Ruling was, however, disputed and a revision petition was filed under Section 25D of the Customs Act, 1969, before the Director General of Customs Valuation, Karachi. Director General of Customs Valuation vide Revision Order No 35/2014 dated 15.04.2014, remanded the case back to Director Customs Valuation for issuance of fresh Valuation Ruling and determination of Customs values of LED TV under Section 25-A of the Customs Act, 1969, after affording due opportunity of hearing to the petitioner and other stakeholders including the concerned Customs Collectorates of Clearance, within a period of two weeks, in accordance with law.

(STOME KARACHIE

In compliance of the directions contained in Order in Revision No 35/2014 dated 15.4.2014, within specified time limitation, notice dated 16.04.2014 was issued to call all the stakeholders for a meeting on 24.04.2014. The representatives of MCC Appraisement-East, MCC Appraisement-West, Valuation Directorate, FPCC&I, KCC&I, local manufacturers/assemblers, Petitioner's representative and distributors/importers of subject goods, participated in the proceedings and gave their view points on the issue. The views of the importers of LED TVs were divergent from the views of local assemblers. After protracted discussions, allegations and counter allegations from importers and local assemblers, no headway could be made. Briefly local assemblers and petitioner urged to make the import values of SKD kits as the basis for determination of customs values of similar items. Moreover, they agitated that market is replete with smuggled LED TVs, therefore, no calculations can be made on the basis of smuggled TVs available in the market.

Importers on the other hand strongly agitated on making these irrelevant and manipulated values as basis for any decision. Importers contended that tariff rates on SKD and CBU TVs are very different, and that local assemblers are enjoying very high

tariff protection rates of 30% on imports against 5 % being paid by assemblers under EEPAS. They further contended that taking hostage of the whole market through valuation gives undue advantage to so called assemblers and smugglers. Importers also agitated as to why local assemblers are very comfortable with smuggled items as against legally imported ones. After threadbare discussions, and listening to all the participants it was considered that market survey is the most suitable option to work out the assessable values of LED TVs. A Committee, consisting of representatives of Clearance Collectorates, Directorate of Valuation, local assemblers, importers, FPCC&I, KCC&I was constituted to further deliberate on determination of Customs values on 25.04.2014 in a transparent manner. The constituted Committee again held detailed meeting on 25.04.2014 and finalized the parameters to determine the customs values. The committee decided that two independent market surveys would be conducted; one by the officers of Valuation department and the other by the officers of clearance Collectorates; these two surveys would be sent to an independent three member committee; one member from FPCC&I and two from KCC&I for verification and input. To this all the participants including importers, chambers and local assemblers agreed except M/s Orient. Accordingly the two formations conducted fresh market surveys and shared their findings with the independent committee comprising members of the FPCC&I and KCC&I. This committee forwarded their point of view and verifications vide letter no. VP/KCCI/MRKRATES /DG/ CUST/ 2014/-14661 dated April 29, 2014. All the three reports were minutely examined again. The present ruling is based on these surveys and verification report after giving due deductions as agreed in the meeting on 25.04.2014.

(CUSTOM)

- 2. Method adopted to determine Customs values: Valuation methods given in Section 25 of the Customs Act, 1969 were followed. Transaction value method provided in Sub-Section (1) of Section 25 was found inapplicable because of in-sufficient quantum of import data besides the requisite information to determine the value as per law was not available. Identical / similar goods value methods provided in Sub-Sections (5) & (6) of Section 25 could also not be applied due to same reason and due to unreliable and inadequate values. Market enquiries as provided under Sub-Section (7) of Section 25 of the Customs Act, 1969, were conducted and values were determined by Deductive Value method. After carefully considering all the information available customs values of branded LED Television Sets were determined under Section 25 (9) of the Customs Act 1969.
- 3. Stakeholders' Participation in determination of Customs values: Meetings were held with all the stakeholders on 24.04.2014 and 25.04.2014 as mentioned above. Due consideration was given to views/inputs of local assemblers, importers, representatives of Chambers of Commerce and Industry and officers from clearance Collectorates.
- 4. Customs values for branded LED Television Sets: Branded LED Television Sets hereinafter specified shall be assessed to duty / taxes at the following Customs values as per Annex-A: -
- 5. In cases where declared/ transaction values are higher than the Customs value determined in this Ruling, the assessment shall be made on such higher values in terms of Sub-Section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessment shall be made after taking into account the differential between air freight and sea freight while applying the Customs values determined in this Ruling.

- Validity of this Valuation Ruling: The value determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A of the Customs
- 7. Revision of the values determined vide this Valuation Ruling: A Revision Petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issuance of this Ruling, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.
- 8. The Collectors of Customs may kindly ensure that the values given in the Ruling for the given description of goods is applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of this Directorate General immediately.
- 9. This Valuation Ruling supersedes Valuation Ruling No. 670/2014 dated 31-03-2014 for LED Television Sets.
