Determination Of Customs Values Of Phenyl Ethyl Methyl Ether Under Section 25-A
Of The Customs Act, 1969

(VALUATION RULING NO. 735 / 2015)

No. Misc/13/2015-II 8912

Dated: 25-05-2015

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Phenyl Ethyl Methyl Ether are determined as follows : -

- 1. Background of the valuation issue:** A reference was received from the clearance collectorate regarding determination of Customs Values of Phenyl Methyl Ethyl Ether. With a view to reflect the current prices prevailing in the international market, an exercise to determine the Customs values of subject goods afresh was taken up.
- 2. Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were applied sequentially to address the valuation issue at hand. Transaction Value Method under Sub-Section (1) of Section 25 of the Act 1969, was found inapplicable because required information under the law was not available. Identical and Similar Goods valuation methods provided in Sub-Sections (5) and (6) of Section 25 of the Customs Act, 1969 provided some reference values but due to wide variations the same could not be relied upon. In the sequential order this office then resorted to conduct a market inquiry in terms of Sub-Section (7) of Section 25 of the Customs Act, 1969 but the gathered information could not be exclusively relied on. Stakeholders meetings were also conducted for their input and feedback. On-line values were also checked. All the information was analyzed and evaluated. Sub-Section (9) of Section 25 of the Customs Act, 1969, was applied to arrive at the assessable Customs values.
- 3. Stakeholders' participation in determination of Customs values:** Meetings were held with stakeholders and importers including representatives of trade bodies on 06-05-2015 and 20-05-2015 to discuss the current international prices of subject goods.
- 4. Customs values for Phenyl Ethyl Methyl Ether:**

Phenyl Ethyl Methyl Ether *hereinafter specified* shall be assessed to duty / taxes at the following Customs Values : -

S. No.	Description of goods	PCT	Proposed PCT for WEBOC	Origin	Customs Values (C&F) USS/Kg
(1)	(2)	(3)	(4)	(5)	(6)
01.	Phenyl Ethyl Methyl Ether	2909.3000	2909.3000.1000	All origins	7.50

5. In cases where declared / transaction values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of Sub-Section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officer shall take into account the differential between air freight and sea freight while applying the Customs values determined in this Ruling.
6. **Validity of this Valuation Ruling:** The values determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A or section 25-D of the Customs Act, 1969.
7. **Revision of the value determined vide this Valuation Ruling:** A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issuance of this Ruling, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.
8. The Collectors of Customs may kindly ensure that the values given in the Ruling for the given description of goods are applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of this Directorate General immediately for redressal.

 (Abdul Rashid Sheikh)
 Director
