No.Misc/13/2007-IV 19043

Dated 11-05-2016

The values of un-branded garments were re-determined upwards and notified vide Valuation Ruling No.825/2016, dated 05-04-2016. However, the reports received at this Directorate General of Customs Valuation have revealed that values as determined in Valuation Ruling No.825/2016, dated 05-04-2016 do not correctly reflect international prices. Therefore, the same is immediately withdrawn hereby. The clearance Collectorates are advised to assess un-branded garments under Section 25 of the Customs Act, 1969.

2. The value enquiries have already been initiated and a valid Valuation Ruling will be issued in due course of time.

DETERMINATION OF CUSTOM VALUES OF UNBRANDED GARMENTS  
UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969

(VALUATION RULING NO. 825/2016)

No. Misc/13/2007-IV/8660

Dated: April, 5, 2016

In exercise of the powers conferred under Section 25-A of Customs Act, 1969 Customs Values of Un-branded Garments are hereby determined as follows:-

2. **Background of the valuation issue:** Since the earlier customs values of un-branded Garments were determined more than three and half years ago vide Valuation Ruling No.489/2012, dated 07-11-2012, a re-determination of customs values of these goods was deemed necessary to reflect the current price trend of these goods in the international markets. This prompted an exercise to re-determine the customs values of un-branded garments.

3. **Stakeholders' participation in determination of Customs values:** Meeting was scheduled on 29-03-2016, which was attended by commercial importers as well as Garment Importers Association and representatives of various clearance Collectorates.

4. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were examined to ascertain which methods were applicable to the valuation issue at hand, in terms of Section 25A(1) of the Act. Transaction value method provided in Section 25 (1) was found inapplicable because it is generally known to all that majority of invoices produced at the import stage are manipulated / fabricated hence, sufficient information required as per the law was unavailable to ascertain accurate transaction value. Identical / similar goods valuation methods provided in Section 25(5) & (6) were examined for applicability to the valuation issue in the instant case. Data provided some references, however, it was observed that the same could not be solely relied upon due to the absence of absolute demonstrable evidence of qualities and commercial level etc. Furthermore, it was observed that importers commonly provide misleading descriptions while declaring their goods as other types and verities of similar goods to avoid the valuation rulings. These methods furnished unreliable values and were not found applicable. In line with the statutory sequential order provided under section 25 of Customs Act, 1969 this office then conducted a market enquiry in terms of Section

25(7) of the Customs Act, 1969 using the Deductive Value Method, however, it was found that the determination of customs value could not be based solely upon this method either. Valuation method provided under section 25(8) also could not be applied because as the conversion cost from constituent material and allied expenses, in the country of export were not available. Finally, PRAL database, market information was evaluated and international prices from internet sources were thoroughly examined. All information gathered from these sources was analyzed for determination of customs value. Consequently, the fall back method of valuation provided under section 25(9) of Customs Act, 1969 was applied to derive at and determine the assessable customs value of subject goods.

5. **Customs values for Unbranded Garments of China, Indonesia, Thailand and Vietnam :** Unbranded Garments from China, Indonesia, Thailand and Vietnam *as specified in Annex-A of this Ruling (enclosed as annexure "A")* shall be assessed to duty / taxes on the Customs Values specified therein.

6. In cases where declared/ transaction values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of Sub-Section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officer shall take into account the differential between air freight and sea freight while applying the Customs values determined in this Ruling.

7. **Validity of this Valuation Ruling:** The values determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A of the Customs Act, 1969.

8. **Revision of the value determined vide this Valuation Ruling:** A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue of this ruling, before the Director General, Directorate General of Customs Valuation, 7<sup>th</sup> Floor, Custom House, Karachi.

9. The Collectors of Customs may kindly ensure that the values given in the Ruling for the given description of goods are applied by the concerned staff without fail. Any anomaly observed may kindly be brought to the notice of Directorate General immediately.

10. This ruling supersedes Valuation Ruling No.489 / 2012, dated 07-11-2012.
