Determination of Custom Values of Paint Brushes and Roller Brushes Under Section 25-A of the Customs Act, 1969

(VALUATION RULING NO. 893/2016)

No.Misc/01/2011-VIIIIB/IX

9/101

Dated: July 29 , 2016.

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Paint Brushes and Roller Brushes are determined as follows: -

2. **Background of the valuation issue:** It was brought to the notice of this Directorate General of Customs Valuation that the values of Paint Brushes and Roller Brushes have increased in the international market as compared to the determined Customs values of Paint Brushes and Roller Brushes vide Valuation Ruling No.463/2012, dated 18-07-2012. The impugned Valuation Ruling required revision in line with the prevailing prices in the international market. Therefore, this Directorate General initiated an exercise for determination of customs value for Paint Brushes and Roller Brushes.
3. **Stakeholders' participation in determination of Customs values:** Meeting with stakeholders was held on 23-06-2016 and the importers were requested to furnish the following documents:-
 - A. Invoices of imports during last three months showing factual value.
 - B. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
 - C. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
 - D. Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.
4. The meeting was attended by a few importers. The importers during the meeting were of the view that the prices of the subject commodity have not increased in the international market. in last four years. They, however, could not submit any corroboratory evidence/documents in support of their contentions. They requested that they may be allowed some time to furnish evidences and other documents in support of their contentions but later abstained from submitting any such documents.
5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at fair value of Paint Brushes and Roller Brushes. Transaction value method provided in Section 25 (1) was found inapplicable owing to wide variation in the values being declared to the customs and incomplete descriptions. Identical/ similar goods value methods provided in Section 25(5) & (6) were examined for

applicability to the valuation issue in the instant case which provided some reference values of the subject goods but the same could not be exclusively relied on due to wide variation in declared values of subject goods. Thereafter, market enquiry as envisaged under Section 25(7) of the Customs Act, 1969, was conducted. As the stakeholders were not forthcoming with the values of the Paint Brushes and Roller Brushes as being traded in the international market, therefore different markets were surveyed repeatedly for the purpose. Online prices were also obtained to corroborate the findings of the market surveys. Computed Value Method as provided in Section 25 (8) could not be applied for valuation of the aforementioned goods as the cost of raw material and fabrication charges under clause (a) and amount of profit and general expenses under clause (b) of Section 25 (8) of the Act, in the country of export, could not be ascertained. All the information so gathered was evaluated and analyzed for the purpose of determination of customs values of Paint Brushes and Roller Brushes. Consequently, the Customs values of Paint Brushes and Roller Brushes have been determined under Section 25 (9) of the Customs Act, 1969.

7. **Customs values for Paint Brushes and Roller Brushes:** Paint Brushes and Roller Brushes, *hereinafter specified*, shall be assessed to duty/taxes at the Customs Values mentioned below:-
