ORDER

ANWAR ZAHEER JAMALI, C.J. Learned ASC for the appellants after making reference to the contents of the operative part of the impugned judgment available in its pen-ultimate paragraph submits that he will be satisfied in case clarification is made for the implementation of the impugned judgment to the extent that provisional assessment in terms of Section 81 of the Customs Act, 1969 will be made by the concerned competent officers under the Customs Act meant for this purpose while the Director (Valuation) will be performing only those functions which are mandated for him under the Customs Act, 1969. To this suggestion, learned ASC for the respondent candidly concedes. Accordingly this appeal is disposed of in the above terms. As the main appeal is disposed of, therefore, CMA No. 1005-K of 2015 has become infructuous and it is disposed of such.
