PUBLIC NOTICE NO. 5/2005(A)

Subject: DECLARATION / ASSESSMENT OF IMPORTED FABRICS.

In order to check under invoicing and mis-declaration in quality, quantity, weight, origin etc of imported fabrics of various types, the importers / clearing agents shall make full and complete declaration in respect of following:-

- i) complete description of fabrics
- j) total gross and net weight of the consignment
- k) grammage per meter / grammage per sqm
- l) mode of packing i.e. in rolls or in bales with total number of rolls per carton / bales.
- m) width and meterage of each quality separately.
- n) density in terms of yarn per square inch of fabric.
- o) denier of warp yarn
- p) denier of weft yarn

Above mentioned particulars shall also be reflected in the commercial invoice. In case of incomplete declaration in respect of above particulars, CSC staff shall not manifest G.D and direct the clearing agent to provide / declare complete information. The importers / clearing agents may, however, have the option to request examination of goods under 1st proviso to section 79 (1) of the Customs Act, 1969, in case complete information regarding contents and particulars of goods was not available with them.

2. Customer Service Centre (CSC) shall manifest the G.D. in case importer / clearing agent is unable to declare density in terms of yarn per square inch of fabric, denier of warp yarn and denier of weft yarn. The G.D. will be accepted at CSC without such information. However, examination committees shall ensure confirmation of said aspects through detailed examination / laboratory test.

3. Aforesaid procedure shall not be applicable to fabrics temporarily imported into the country for subsequent re-exportation.
