**Subject: Development of Valuation Database; Reference Values for Centrum Supplements**

This Directorate General has initiated an exercise to develop database values for different items wherein it has been observed that declarations are wide range and do not correctly reflect values of the items as traded in the international market. During the scrutiny of previous clearance data, it has been observed that Centrum Supplements falling under PCT headings 2106.9090 are being assessed at different values and certain transactions are on very low side.

2. This Directorate General, after carefully examining the clearance data, also conducted market inquiries to verify the authenticity of declarations. Online prices were also obtained to corroborate the findings of the market surveys. This office, therefore, has found that the customs values of Centrum Supplements are as follows:

S. No.	Description	Origin	Customs Value C&F US\$/ Kg
i)	Centrum Silver Men 50+ Supplement	USA/Canada	34.48
ii)	Centrum Silver Adults 50+ Supplement	USA/Canada	39.18
iii)	Centrum Silver Women 50+ Supplement	USA/Canada	34.18
iv)	Centrum Men Multivitamin/mineral Supplement	USA/Canada	31.35
v)	Centrum Women Multivitamin/mineral Supplement	USA/Canada	31.35

3. These values are, however, for reference/guidance only and final assessment may please be made after considering other factors which have bearing on the customs value.

4. The clearance collectorates may like to consider the values given above before finalizing the assessment of the subject items. If further fine-tuning in specifications and ensuing values are required, Collectorate may forward a reference along with detailed justifications and worksheets so that requisite adjustments are accordingly issued.
