Determination Of Customs Values of LED Christmas/Rice/Festival Decoration Lights
(Larri) Under Section 25-A Of The Customs Act, 1969

(VALUATION RULING NO. 1032 / 2017)

No. Reg.Misc./26/2016-IX / 212

Dated: February 02, 2017

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969,
Customs values of LED Christmas/Rice/Festival Decoration Lights (Larri) are determined as
follows: -

2. Background of the valuation issue: This Directorate General has earlier circulated
reference customs values of LED Christmas / Rice / Festival Decoration Lights, imported
in different Colours, vide Valuation Data Base Letter No. 60/2016, dated 20-10-2016. References
were received from different stakeholders including MCC (Appraisement)- East & West,
Karachi, regarding downward revision of Values notified through VDB No. 60. Meanwhile upon
suggestion of the clearance Collectorate the VDB letter was withdrawn. However, this
Directorate General initiated an exercise for determination of customs values of LED
Christmas/Rice/Festival Decoration Lights (Larri) under Section 25A.

3. Stakeholders’ participation in determination of Customs values: Meetings with
stakeholders were held on 15-12-2016, 10-01-2017 and 31-01-2016. The stakeholders were
requested to furnish the following documents before or during the course of above said meeting:

A. Invoices of imports during last three months showing actual value.
B. Websites, names and E-mail addresses of known foreign manufacturers of the item in
question through which the actual current value can be ascertained.
C. Copies of Contracts made / LCs opened during the last three months showing the value of
item in question.
D. Copies of Sales Tax Invoices issued during last four months showing the difference in
price (excluding duty and taxes) to substantiate that the benefit of difference in price is
passed on to the local buyers.

4. However no stakeholder turned up for the meeting neither any requisite
evidences/documents were received. Hence this Directorate General proceeded further for
issuance of Valuation Ruling under the law.

5. Method adopted to determine Customs values: Valuation methods given in Section
25 of the Customs Act, 1969 were followed to arrive at customs value of LED
Christmas/Rice/Festival Decoration Lights (Larri). Transaction value method provided in Section
25 (1) was found inapplicable owing to wide variation in the values being declared to the
customs and incomplete descriptions. Identical/ similar goods value methods provided in
Section 25 (5) & (6) were examined for applicability to the valuation issue in the instant case
which provided some reference values of the subject goods but the same could not be exclusively
relied on due to wide variation in declared values of subject goods. Thereafter, market enquiry as
envisaged under Section 25 (7) of the Customs Act, 1969, was conducted. A number of items
sold in the local market were obtained and customs values were worked back from the same.
Online prices were also obtained to corroborate the findings of the market surveys. The customs
values of LED Christmas/Rice/Festival Decoration Lights (Larri) have been determined under Section 25 (7) of the Customs Act, 1969.

6. Customs values of LED Christmas/Rice/Festival Decoration Lights (Larri) hereinafter specified, shall be assessed to duty/taxes at the following Customs Values:
