**Determination of Customs Values of Copper Filter Dryers Under Section 25-A of the Customs Act, 1969**

(VALUATION RULING NO. 1103/2017)

No. Misc/51/2017-VII

Dated: March 21, 2017

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Copper Filter Dryers are determined as follows:

2. **Background of the valuation issue:** Customs values of Copper Filter Dryers were determined under Section 25A of the Customs Act, 1969, vide Valuation Ruling 559/2013 dated 10-06-2013. The Valuation Ruling required revision in line with the prevailing prices in the international market. Therefore, this Directorate General initiated an exercise for determination of customs values of Copper Filter Dryers.

3. **Stakeholders’ participation in determination of Customs values:** Meeting with stakeholders was held on 02-03-2017. Importers had been requested to furnish the following documents before or during the course of meeting:

   A. Invoices of imports during last three months showing factual value.
   B. Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
   C. Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
   D. Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. No documents were submitted in this Directorate General on or before the said scheduled meeting.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed to arrive at customs values of Copper Filter Dryers. Transaction value method provided in Section 25 (1) was found inapplicable owing to wide variation in the values being declared to the customs. Identical / similar goods value methods provided in Section 25 (5) & (6) were examined for applicability to the valuation issue in the instant case which provided some reference values of the subject goods but the same could not be exclusively relied upon due to wide variation in declared values of subject goods. Online values of subject goods were also obtained. Thereafter, market enquiry as envisaged under section 25(7) of the Customs Act, 1969, was conducted. For the purpose, different markets were surveyed repeatedly. Consequently, the Customs values of Copper Filter Dryers have been determined under Section 25(7) of the Customs Act, 1969.
6. Customs values for Copper Filter Dryer: Copper Filter Dryer, as specified herein, shall be assessed to duty/taxes at the Customs values given as under:-
