DETERMINATION OF CUSTOMS VALUE OF "PE TARPAILIN"
UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969

(VALUATION RULING NO- 584 / 2013)

No. Misc/14/2012-IV Dated: September 30th, 2013

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, the
Customs values of "PE Tarpaulin" are determined as follows:-

1. Description of the valuation issue: The Customs value of Tarpaulin was determined
under Section 25-A vide Valuation Ruling No.474 dated 28-09-2012. It was contested
by a number of importers who filed review applications under Section 25-D which
were disallowed for technical reasons and on law points. The Director General,
however, directed to examine their contentions under the law and on merit and
associate them during exercise for determining revised Customs value. Accordingly
the importers were associated during the aforesaid exercise but they failed to submit
valid and legally maintainable import documents to substantiate their view point. A
complaint by local manufacturers was also received in the Directorate General of
Customs Valuation to the effect that the subject goods were being under-invoiced by
the importers, causing revenue losses. This prompted an investigation to determine
Customs value of imported "PE Tarpaulin".

2. Method adopted to determine Customs value: To determine the Customs value,
methonds given in section 25 of the Customs Act, 1969, were followed. Transaction
value method provided in sub-section (1) of section 25 was found inapplicable
because sufficient information was not available. Identical / similar goods value
methods provided in sub-section (5) & (6) of section 25 ibid were also not found
applicable for determination of the customs values due to unreliable and variable
values. Deductive value method could not be followed. Computed value method
provided in section 25(8) was not applicable; therefore Customs value of 'PE
Tarpaulin' was determined under sub-section (9) of section 25 in the instant case.

3. Evidence used to determine Customs values: Meetings were held with the
stakeholders on 24-06-2013, 22-07-2013 & 24-09-2013.

4. Customs value for PE Tarpaulin: PE Tarpaulin hereinafter specified shall be
assessed to duty / taxes at the following customs values :-
5. In case where declared/transaction values are higher than the Customs value determined in this Ruling, the assessing officers shall apply those values in terms of sub-section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officer shall take into account the differential between air freight and sea freight while applying the Customs values determined in this Ruling.

6. **Validity of this Valuation Ruling**: The value determined vide this Ruling shall be the applicable Customs value for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of sub-section (1) or (3) of section 25 of the Customs Act, 1969.

7. **Review of the value determined vide this Valuation Ruling**: A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

8. **This ruling supersedes Valuation Ruling No.474, dated 28-09-2012.**

9. The Collectors of Customs may kindly ensure that the value given in the Ruling is applied by the concerned staff without fail.
