DETERMINATION OF CUSTOMS VALUES OF SILICON SEALANT
UNDER SECTION 25A OF THE CUSTOMS ACT, 1969

(VALUATION RULING NO. 76/ 2015)

No. Misc/02/2008-11

Dated: January 14, 2015

In exercise of the powers conferred under Section 25A of the Customs Act, 1969,
Customs values of Silicon Sealant are determined as follows:

1. Background of the issue: Valuation of Silicone Sealant was determined under Section 25A
of the Customs Act, 1969 vide Valuation Ruling No. 435 dated 25-02-2012. Since the said
ruling was considerably old and needed up-dation as per current international price.
Moreover, importers have been agitating against higher fixation of values in the said Ruling,
therefore, the same was taken up for fresh determination of values. For this purpose meetings
were held with different stakeholders.

2. Method adopted to determine Customs values: The Valuation methods given in Section
25 of the Customs Act, 1969 were followed. The transaction value method under Sub-
Section (1) of Section 25 ibid was found inapplicable because of non-availability of
sufficient information. Identical / similar goods valuation methods provided in Sub-Section
(5) and (6) of Section 25 could not be solely relied as there were considerable variations in
declarations. Market survey was also conducted under section 25(7) of the Customs Act,
1969. Different stakeholders were invited for their input as well. All the information
gathered was analyzed and valuation ruling was issued under section 25(9) of the Customs
Act, 1969.

3. Stakeholders' participation in determination of Customs values: Meetings were fixed
with different stakeholders including representatives of FPCCI & KCCI on 13-11-2014
and 03-12-2014 to obtain stakeholders views on valuation of Silicone Sealant.

4. Customs values for Silicone Sealant: Silicone Sealant hereinafter specified shall be assessed
to duty/taxes at the following Customs values:
