Determination of Customs Values Of Tractor Parts
Under section 25-A of the Customs Act, 1969

(VALUATION RULING NO. 129 / 2015)

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969,
Customs values of Tractor Parts are determined as follows:

2. Description of the valuation issue: Customs values of Tractor Parts were
determined under Section 25-A of the Customs Act, 1969, vide Valuation Ruling
No.345/2011, dated 23-06-2011. Honorable Lahore High Court on March 05, 2015 ordered
that pending applications of the petitioners shall be considered under section 25-A(4)
Valuation Ruling. In compliance of Honorable Lahore High Court Lahore orders dated 05-
03-2015 & 07-03-2015, that Department should treat the petitions as an application under
Section 25-A(4) of the Customs Act, 1969, and consider the objections of the petitioners
against the valuation ruling and decide the matter in accordance with law through a speaking
order after hearing all the necessary parties within four weeks of receipt of certified copies
of the order. Accordingly, proceedings were initiated and stakeholders meetings scheduled on
11-11-2014 and 08-04-2015. On 08-04-2015, with the consent of all present stakeholders it
was decided to hold another stakeholders meeting to finally dispose of the applications.
However, proceedings could not be completed due to certain requests of stakeholders as they
were not available in the country. Deputy Registrar (Judicial), Lahore High Court was also
informed accordingly. Subsequently another two meetings were scheduled on 05-05-2015
and 14-05-2015.

3. Method adopted to determine Customs values: Valuation methods given in Section
25 of the Customs Act, 1969 were followed. Transaction value method provided in Section
25(1) was found inapplicable because the requisite information was not available as per law.
Identical / similar goods value methods provided in Section 25(5) and (6) were examined for
applicability to the valuation issue in the instant case which provided some reference values
but was not applicable due to considerable variation in declared values among various
imports of subject goods. Two detailed market inquiries have been conducted under Section
25(7) of the Customs Act, 1969. Different stakeholders were invited for their input and
feedback. All the available information was analyzed. Consequently, customs values
of tractor parts are determined under Sub-Section (9) of Section 25 of the Customs Act, 1969

4. Stakeholders’ participation in determination of Customs values: Meetings
were held with stakeholders and importers including representatives of trade bodies
on 11-11-2014, 08-04-2015, 05-05-2015 and 14-05-2015 to discuss the customs values of
Tractor Parts.

5. Customs values for Tractor Parts: Tractor Parts hereinafter specified shall be
assessed to duty / taxes at the following Customs Values:
