Determination of Customs Values Of Ginger and Garlic Under Section 25-A Of The
Customs Act, 1969

(VALUATION RULING NO. 783/2015)

No. Misc/14/2013-I Dated: December 28th, 2015

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs
values of Ginger and Garlic are determined as follows :-

2. Background of the valuation issue: References were received from different
importers/ stakeholders and All Pakistan Fresh Ginger & Garlic Importers and Whole Sellers
Association for revision of valuation ruling as per current declining international prices of
Ginger and Garlic. Accordingly to ascertain the current prices prevailing in the international
market, an exercise to determine the Customs values of subject goods was under taken by this
Directorate General.

3. Method adopted to determine Customs values: Valuation methods given in Section
25 of the Customs Act, 1969 were applied sequentially to address the valuation issue at hand.
Transaction Value Method under Sub-Section (1) of Section 25 of the Act 1969, was found
inapplicable because required information under the law was not available due to multiple
sources and difference in quality of the goods depending upon the source country and status
of the crops i.e variation in prices due to new and old crops. Identical and Similar Goods
valuation methods provided in Sub-Sections (5) and (6) of Section 25 ibid was also found
inapplicable as it could not be relied upon due to variety of goods varying greatly from
country to country subsequently, extensive market enquiries were conducted and Deductive
Value Method under Sub-Section (7) of 25 of the Customs Act, 1969, was applied to arrive at
assessable Customs values of Garlic and Ginger.

4. Stakeholders’ participation in determination of Customs values: Meeting with
stakeholders including importers, and representatives of trade bodies was held on 28.12.2015
to discuss the current international prices of the subject goods. The view point of all
participants was heard in detail and considered to arrive at fair value.

5. Customs values for Ginger and Garlic: Ginger and garlic hereinafter specified
shall be assessed to duty/taxes at the following Customs Values :-
