Determination of Customs Values of Gypsum Board , Gypsum Tile and Fiber Cement Board under Section 25-A of the Customs Act, 1969

(VALUATION RULING NO. 951 / 2016)

No. Misc/13/2010-V

9616

Dated: October 13, 2016

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Gypsum Board, Gypsum Tile and Fiber Cement Board are determined as follows: -

2. **Background of the valuation issue:** Customs values of Gypsum Board, Gypsum Tile and Fiber Cement Board were determined vide Valuation Ruling No.777/2015, dated 04-12-2015. Certain importers have requested for revision of the same in the light of order of the Honourable High Court in C.P No. 6918 dated 10-11-2015 as the same was more than ninety days old. Therefore, this Directorate General initiated an exercise to re-determine the values of imported Gypsum Board, Gypsum Tile and Fiber Cement Board.

3. **Stakeholders' participation in determination of Customs values:** Stakeholders' meeting was held on 05-10-2016. The importers were also requested to furnish the following documents: -

- (i) Invoices of imports made during last three months showing factual value.
- (ii) Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- (iii) Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- (iv) Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. The documents as requisitioned were not submitted during or even after the meeting by any of the participants or other stakeholders. One local manufacturer submitted a proposal during the meeting that values pertaining to gypsum board should be increased and those of fiber cement board should be maintained. On scrutiny, it transpired that the said manufacturer is also an importer of fiber cement board. The importers on the other hand requested for downward revision of values as they contended that the prices of the subject goods have decreased in the international market.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were followed. Transaction value method provided in Section 25 (1) was found inapplicable because the requisite information was not available. Identical / similar goods value methods provided in Section 25(5) & (6) were also not found helpful in

determination of values due to wide variation in values. Consequently, market enquiries as envisaged under Section 25(7) of the Customs Act, 1969, were conducted. Online values were also checked. Since the manufacturers' costs and raw material prices of producing the goods in question in the countries of exportation were not available, computed value method as provided in Section 25(8) could not be applied for valuation of the aforesaid goods. All the information so gathered was evaluated and analyzed for the purpose of determination of customs values of Gypsum Board, Gypsum Tile and Fiber Cement Board. Consequently, reliance was placed upon Sub-Section (9) of Section 25 of the Customs Act, 1969, and customs values Gypsum Board, Gypsum Tile and Fiber Cement Board were determined under Section 25(9) of the Customs Act, 1969. Online values were also checked.

6. **Customs values for Gypsum Board, Gypsum Tile and Fiber Cement Board hereinafter specified** shall be assessed to duty / taxes at the following Customs Values :-

9. **Revision of the value determined vide this Valuation Ruling:** A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue of this ruling, before the Director General, Directorate General of Customs Valuation, 7<sup>th</sup> Floor, Custom House, Karachi.
