Determination of Customs Value of Sticker Paper (Non-thermal) Semi Gloss in Reels 
under Section 25-A of the Customs Act, 1969

(VALEUATION RULING NO. 1333 / 2018)

No. Reg. Misc/06/2012-III/1381
Dated: October 09, 2018

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969,
Customs values of Self Adhesive Sticker Paper, are determined as follows:

2. **Background of the Valuation Issue:** It was brought to the notice of this Directorate 
   General, that Sticker Paper (Non-thermal) Semi Gloss in Reels is being assessed at lower values,
   therefore an exercise was initiated to determine the customs values in the light of current 
   international market price trend.

3. **Stakeholders’ Participation in Determination of Customs Values:** Meetings with 
   stakeholders were held on 31-05-2018, 05-07-2018 and 05-09-2018. The stakeholders were 
   requested to furnish the following documents before or during the course of above said meetings:
   
   (a) Invoices of imports during last three months showing factual value.
   (b) Websites, names and E-mail addresses of known foreign manufacturers of the 
       item in question through which the actual current value can be ascertained.
   (c) Copies of Contracts made / LCs opened during the last three months showing the 
       value of item in question.
   (d) Copies of Sales Tax Invoices issued during last four months showing the values of 
       supplies (excluding duty and taxes) to substantiate their contentions.

4. During the course of meeting, the stakeholders admitted that certain importers are 
   declaring values of Sticker Paper (Non-thermal) Semi Gloss in Reels much lower than actual 
   transaction values. The participants were requested to submit all related evidences in support of 
   their claims.

5. **Method Adopted to Determine Customs Values:** Valuation methods given in Section 
   25 of the Customs Act, 1969 were followed to arrive at customs values of Sticker Paper (Non- 
   thermal) Semi Gloss in Reels. Transaction value method provided in Section 25 (1) was found 
   inapplicable because the requisite information was not available. Identical / similar goods value 
   methods provided in Section 25(5) & (6) were examined for applicability to the valuation issue 
   in the instant case which provided some reference values of the subject goods but the same could
not be exclusively relied on. Thereafter, market enquiries as envisaged under section 25(7) of the Customs Act, 1969, were conducted which gave values for most of the Sticker Paper (Non-thermal) Semi Gloss in Reels bought and sold in the local market. The Sticker Paper (Non-thermal) Semi Gloss in Reels of some specifications was not readily available in the market; therefore, different markets were surveyed repeatedly. Online values of subject goods were also obtained. All the information so gathered was evaluated and analyzed for the purpose of determination of customs values. Consequently, the customs values of self adhesive sticker paper have been determined under Section 25(7) of the Customs Act, 1969.

6. **Customs Values of Self Adhesive Sticker:** Self Adhesive Sticker, hereinafter specified, shall be assessed to duty/taxes at the following Customs Values:
