Subject: **Development of Valuation Database; Reference Values for "Silk Fabric (Boski)"**

This Directorate General has initiated an exercise to develop database values for different items wherein it has been observed that declarations are of wide range and do not correctly reflect values of the items as traded in the international market. During the scrutiny of previous clearance data, it has been observed that "Silk Fabric (Boski)" falling under **PCT headings 5007.9000** is being assessed at different values and certain transactions are on very low side.
