C. No. 5 (7) L&P/2006

Islamabad, 10<sup>th</sup> January, 2007

**CUSTOMS GENERAL ORDER NO 1/2007**

**SUBJECT: -- ROUND THE CLOCK CLEARANCE OF MISHANDLED BAGGAGE.**

In order to facilitate the passengers and meet the demand of international Airlines operating to and from Pakistan International Airports for round the clock clearance of mishandled baggage and its subsequent delivery to the owner by the concerned airlines, the Central Board of Revenue is pleased to lay down the following procedure:--

1. Airline/handler desiring to deliver the mishandled baggage at the owner's door step shall inform the Shift Incharge (Arrivals) in writing on the enclosed format.
2. The Shift Incharge before allowing such delivery shall satisfy himself by physically inspecting the package/baggage that the same qualifies for the green channel facility.
3. If the Shift Incharge has reasons to believe that such package/ baggage needs scanning, he may get the scanning done in this presence.
4. In case where on the basis of scanning the Shift Incharge decides that physical examination is required, he shall intimate the concerned airline in writing requesting the passenger's presence for examination and completion of other customs formalities.
5. The concerned airline after delivering the mishandled baggage to its lawful owner shall furnish a copy of delivery report in the office of Assistant/Deputy Collector of the concerned airport.
6. To avoid misuse, the above facility shall not be provided in respect of baggage where passenger and the baggage arrive on the same flight.
