**Determination of Customs Values of Printed Polyester Microfiber Fabric for Bed Sheets under Section 25-A of the Customs Act, 1969**

(VALUATION RULING NO: <sup>1385</sup> /2019)

No.07 (Group-IV)/Val.Khi/2018

Dated: 18<sup>th</sup> July, 2019

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs value of Printed Polyester Microfiber Fabric for bed sheets are determined as follows:-

2. **Background of the valuation issue:** Earlier Customs value of Printed Polyester Microfiber Fabric was determined vide Valuation Ruling No.1301/2018 dated 04.05.2018. Being aggrieved with the values determined vide the said Valuation Ruling (VR), many petitioners filed petitions under 25-D of the Customs Act, 1969 before the Director General of Customs Valuation, Karachi. These petitions were rejected vide Order-in-Revision No.35/2018 dated 26.09.2018. The VR and order-in-revision were challenged before the Customs Appellate Tribunal, Karachi and the Tribunal vide Order dated 23.10.2018 ordered to modify the impugned Valuation Ruling by excluding Sr.No.6 from the scope of the ruling. Directorate General of Customs Valuation, Karachi has filed SCRA on 20.11.2018 against the order of the Tribunal before the Honorable High Court of Sindh, Karachi. Meanwhile, many traders/importers approached this Directorate General to issue a fresh Valuation Ruling keeping in view the international prices of the subject fabric. Moreover, after aforesaid order of the Tribunal, the clearance Collectorates made provisional assessment under Section 81 of the Customs Act, 1969 in compliance of Honourable High Court orders and requested this Directorate General to determine values of this item. Therefore, an exercise was initiated for determination of customs value of the subject fabric in terms of Section 25-A of the Customs Act, 1969.

3. **Stakeholders' participation in determination of Customs values:** Meeting with stakeholders including commercial importers and representatives of clearance Collectorates were scheduled on 13.03.2019 to discuss international price trend of the subject goods. The view point of participants was heard in detail and considered to arrive at customs value of the subject goods.

4. **Method adopted to determine Customs values:** Valuation methods provided in Section 25 of the Customs Act, 1969, were duly applied in their regular sequential order to arrive at customs value of subject goods. The transaction value method as provided in sub-Section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to wide variation of values displayed in the import data. The stakeholders also failed to provide substantial documents to prove that their declared value was true transactional value. Therefore, identical / similar goods value method as provided in sub-Sections (5) & (6) of Section 25 ibid were examined for applicability to the valuation issue in the instant case but due to wide variations in declarations could not be relied upon exclusively. In line with the statutory sequential order of Section 25, this office conducted market inquiries under sub-

Section (7) of Section 25 of the Customs Act, 1969. As there were certain differences in prices in different markets; therefore, a number of surveys were conducted to arrive at customs value. Finally, reliance was placed on sub-Section (7) of Section 25 of the Customs Act, 1969, to determine customs value of Printed Polyester Microfiber Fabric for Bed Sheets.

5. **Customs values of Printed Polyester Microfiber Fabric for Bed Sheets** *hereinafter specified* shall be assessed to duty/taxes at the following minimum Customs values:
