<u>Disposal Period</u>	<u>Duty and Taxes</u>
(i) If sold or otherwise disposed of before the expiration of five years from the date of importation.	Full
(ii) If sold or otherwise disposed of after five and before seven and half years from the date of importation.	50%
(iii) If sold or otherwise disposed of after seven and half years and before ten years from the date of importation.	25%
(iv) If sold or otherwise disposed of after ten years from the date of importation.	0%]

(2) The record of input goods, manufactured goods and output goods exported shall be maintained in the form as set out in *Appendix-V* to these rules, one copy of which shall be submitted to the Collector before the tenth day of the following month.

(3) The export of output goods shall be made against the goods declaration for export, prepared by the licensee and endorsed as "Export from Export Oriented Unit".

(4) The licensee of export oriented unit may exercise his option to get the finished goods meant for export examined by an official of customs either in the export oriented unit or at the port and quadruplicate copy of the goods declaration for export shall bear the examination report of the official of customs accordingly.

(5) The licensee may remove input goods out of his premises for partial manufacture or processing by the vendor after intimating the Collector or the officer authorized by him, in this behalf, in the form as set out in *Appendix-VI* to these rules:

Provided that in case the manufacturing process performed by the vendor is liable to sales tax and/or federal excise duty, the processed goods shall be returned to the manufacturer in such manner as if these were exported without payment of sales tax and/or federal excise duty:

Provided further that the output goods may be removed directly for export from the vendor to the customs-station.

(6) The factory rejects or output goods not conforming to the export standards shall be allowed disposal in the local market as per provisions of the Import Policy Order, for the time being in force, after filing of goods declaration for home consumption by the licensee:

²⁴[Provided that the factory rejects shall be allowed removal by an officer of customs not below the rank of an Assistant Collector, at the appraised value and customs-duty shall be charged on the imported input component consumed in the factory rejects and sales tax and federal excise duty shall be paid or adjusted, if applicable.]

²⁵[(7) No wastage of input goods in terms of quantity, volume, weight or number, as the case may be, shall be allowed except as determined in the analysis certificate and no duty and taxes shall be charged on such wastage of the input goods, provided that such wastage is either destroyed in the presence of an officer of Customs, not below the rank of an Assistant Collector, or leviable federal excise duty and sales tax is paid on such wastage before removal.]

24. *Substituted for" Provided that the factory rejects shall be allowed removal by an officer of customs not below the rank of an Assistant Collector, at the appraised value and customs- duty, sales tax and federal excise duty shall be levied as if the said material had been imported into Pakistan in that condition" vide SRO 647(I)/2018 dated 24th May, 2018*

25. *Added vide SRO 647(I)/2018 dated 24th May, 2018*

11. Remission of customs-duty, sales tax and federal excise duty to a licensee of an Export Oriented Unit.-Subject to the satisfaction of the Collector, the customs-duty, sales tax and federal excise duty, if any, may be remitted in full or in part, as the case may be, in the following cases, namely:-

- (a) when the input or output goods are damaged or destroyed by unavoidable circumstances or for causes beyond the control of the licensee; or
- (b) when the wastage of input goods, as determined in the Analysis Certificate, is destroyed; or (c) when goods procured are bona fide samples drawn under these rules or samples for study, testing or design; or (d) when the input goods or output goods, which are rendered unfit for consumption or sale, are destroyed in the manner as determined by the Collector.

12. Utilization period of input goods.-The input goods acquired under these rules shall be utilized in the manufacture and export of output goods within two years from the date of their import or as the case may be, local purchase:

Provided that the said period may be extended by the Board in cases of exceptional circumstances.

13. Disposal of input goods or output goods in exceptional circumstances.-Notwithstanding anything contained in sub-rule (4) of rule 14, a licensee may, with the permission of Collector, in case of licensee's inability to manufacture and export output goods for reasons beyond his control, dispose of input or output goods within the utilization period mentioned in rule 12 in the following manner, namely:-

- (a) return to the person who had supplied the input goods; or
- (b) sale, by a licensee to another licensee for export ²⁶[:]

²⁷[(c) local sale on payment of duties and taxes leviable at the time of import alongwith payment of surcharge at the rate of KIBOR plus three per cent per annum to be calculated from the date of import of input goods:

Provided that the quantity of the input goods for local sale shall not be more than ten per cent of the total imports during a year.]

14. Monitoring and audit of an export oriented unit.-(1) The licensee shall arrange or install in his export oriented unit such online automated system to record and display details of input goods, manufactured goods and output goods exported, besides inventory position on daily basis as may enable the Collector to monitor all the activity being done by him.

(2) The liability of a licensee to pay duty and taxes under a security instrument furnished by him under these rules, shall not be discharged unless post-exportation audit is carried out and completed to the satisfaction of the Collector at the end of every financial year.

²⁸[(3) Such post-exportation audit shall be conducted by the Collector of Customs, in whose jurisdiction the licensee is registered.]

(4) The Collector of ²⁹[Customs] having jurisdiction shall also, at the time of post-exportation audit prescribed under sub-rule (2), confirm or otherwise the annual quantum or percentage of annual production exported by the export oriented unit, as prescribed under clause (d) of sub-rule (1) of rule 2.
