

GOVERNMENT OF PAKISTAN
REVENUE DIVISION
FEDERAL BOARD OF REVENUE

C. No. 6(3)/2006-CB / 205547-R

Islamabad, the 13th September, 2019

CUSTOMS GENERAL ORDER NO.15/2019

Subject:- APPLICATION OF STANDARD UNITS OF QUANTITY IN TERMS OF RECOMMENDATIONS OF THE WORLD CUSTOMS ORGANIZATION (WCO).

In exercise of the powers conferred by section 223 of the Customs Act, 1969 (IV of 1969) and in supersession of Customs General Order No. 11/2012 dated 6th August, 2012, the Federal Board of Revenue is pleased to direct all field formations of Customs to adopt standard units of quantity/measurement (UoM) expressed in the **Annex-I**. The Units of Measurement have been revisited in terms of recommendations of the World Customs Organization (WCO) and international / national trading practices to maintain uniformity; improve collection, comparison and analysis of trade statistics and facilitate trade, based on the Harmonized System. Two columns have been created, one for statistical purpose and the other for assessment purpose to meet these objectives.

2. The standard units of quantity were previously notified by the Board on 6th August, 2012. Due to adoption of HS-2017 version PCT codes have been added / deleted and certain new PCT codes have been created. Accordingly an updated CGO has been prepared to accommodate these changes. A PCT- wise consolidated position, incorporating HS-2017 changes, along with respective UoMs, has been prepared and is enclosed as Annex-I to this Order. The standard units of quantity are:

Weight	-	kilogrammes (kg)
	-	carat (carat)
Length	-	meters (m)
Area	-	square meters (m ²)
Volume	-	cubic meters (m ³)
	-	liters(l)
Electrical power	-	1,000 kilowatt hours (1,000 kWh)
Numbers	-	pieces/items (u)
	-	pairs (2u)
	-	dozens (12u)
	-	thousands of pieces/items(1,000 u)
	-	packs (u (jeu/pack))

3. The importers/clearing agents / shipping agents and all other concerned are directed to furnish invoices/documents / information in accordance with the new UoMs prescribed by this CGO. For proper assessment of items internationally traded in any other UoM than the one given in either of the columns in the Annex, such UoM shall also be declared, in addition to the units given for the purposes of assessment. Necessary provision shall be created in Customs Computerized System for this purpose.

4. No document including Goods Declaration (GD) shall be accepted after 30th September, 2019, if the information regarding units of quantity declared / shown is not in accordance with this Order.

Encl: As above.
