Determination of Customs Values of Toiletries/Face/Talcum Powder, Face and Skin Creams/Lotions, Tooth Paste, After Shave, Shaving Cream/Gel/Foam, Soap in other Forms and Facial Wash Under Section 25-A of the Customs Act, 1969

(VALUATION RULING NO. 1410 /2019)

No. Misc/41/2007-II

Dated: 01-11-2019

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Face/Talcum Powder, Face and Skin Creams/Lotions, Tooth Paste, After Shave, Shaving Cream/Gel/Foam, Soap in other Forms and Facial Wash are determined as follows: -

2. **Background of the valuation issue:** Customs values of aforementioned items were earlier determined through Valuation Ruling No.848/2016 dated 06.05.2016. The values given in the valuation ruling, being too old, needed re-determination because the said values did not reflect true prevailing prices in international markets. Moreover, The Federal Board of Revenue vide CGO 15/2019 & CGO 17/2019 dated 13-09-2019 and 19-09-2019 respectively changed the Unit of Measurement (UOM) of a number of PCT codes, including some of those falling under said valuation ruling, for assessment purposes. This necessitated re-determination of values of items to bring them in conformity with the said CGOs. Keeping in view the above factors, this Directorate General initiated an exercise for re-determination of the Customs Values of subject items.

3. **Stakeholders' participation in determination of Customs values:** Meetings with stakeholders, including the importers and the representatives from the field formations and trade bodies, were held on 23.10.2018, 02.04.2019 & 21.10.2019 to discuss the valuation of the subject goods. The stakeholders were also requested to furnish the following documents before or during the course of above said meetings:

Invoices of imports during last three months showing factual value.

- Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- Copies of Contracts made / LCs opened during the last three months showing the value of item in question.
- Copies of Sales Tax Invoices issued during last four months showing the difference in price (excluding duty and taxes) to substantiate their contentions.

4. The meetings were attended by different stakeholders. Most of the participants contended that values are already on the higher side and, if further increased, will lead to the imports from illegal channels. They requested that the values mentioned in the ruling should either be reduced or maintained. When asked to submit Sales Tax Invoices and other corroboratory evidences to substantiate their claim, none was provided despite lapse of considerable time. However, the participants provided various proposals to convert the units of measurements (UOM) from kilogram to unit/per piece basis which was considered and discussed in detail.

5. **Method adopted to determine Customs values:** Valuation methods provided in Section 25 of the Customs Act, 1969 were duly applied in their regular sequential order to arrive at customs values of subject goods. The transaction value method as provided in Sub-Section (1) of Section 25 of the Customs Act, 1969 was found inapplicable due to wide variations of values displayed in the import data. Moreover, the stakeholders did not provide substantial documents to establish the correct transaction value of the goods. Thereafter, identical / similar goods value methods as provided in Sub-Sections (5) & (6) of Section 25 ibid were examined for applicability to the valuation issue in the instant case. The wide variations in declarations were observed. Information available was hence, found inappropriate. In line with the statutory sequential order of Section 25, this office conducted market inquiries under Sub-Section (7) of Section 25 of the Customs Act, 1969. Consequently, Customs values of the subject items have been determined under section 25 (7) of the Customs Act, 1969 accordingly.

6. Customs values for Face/Talcum Powder, Face and Skin Creams/Lotions, Tooth Paste, After Shave, Shaving Cream/ Gel/ Foam, Soap in other Forms and Facial Wash of brands here in after specified shall be assessed to duty/taxes at the Customs Values mentioned separately for each brands category herein below: -
