This heading covers all self-adhesive flat shapes of plastics, whether or not in rolls, **other than** floor, wall or ceiling coverings of **heading 39.18**. The heading is, however, limited to flat shapes which are pressure-sensitive, i.e., which at room temperature, without wetting or other addition, are permanently tacky (on one or both sides) and which firmly adhere to a variety of dissimilar surfaces upon mere contact, without the need for more than finger or hand pressure.

It should be noted that this heading includes articles printed with motifs, characters or pictorial representations, which are not merely incidental to the primary use of the goods (see Note 2 to Section VII).
