**DETERMINATION OF CUSTOMS VALUES OF BLANKETS OF DIFFERENT TYPES
UNDER SECTION 25-A OF THE CUSTOMS ACT, 1969.**

(VALUATION RULING NO. 1436/2020)

File No. Misc/19/2012-IV/2884

Dated: 09 February, 2020

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, the Customs values of blanket are determined as follows:

2. **Background of the valuation issue:** The Customs values of the Blanket were earlier determined vide Valuation Ruling No. 979/2016 dated 25.11.2016. Since the values given therein were more than 03 years old, it was deemed expedient to revise the same to bring them as per prevailing international market. Therefore, an exercise was undertaken by this Directorate General to determine customs values of the subject goods under section 52-A of the Customs Act, 1969.

3. **Stakeholders' participation in determination of Customs values:** Meetings with stakeholders were conducted on 4-11-2019 and 16-12-2019. All the participants had been requested to submit the following documents.

- Invoices of imports during last three months showing factual value.
- Websites, names and E-mail addresses of known foreign manufacturers of the item in question through which the actual current value can be ascertained.
- Copies of Contracts made / I.Cs opened during the last three months showing the value of items in question.
- Copies of Sales Tax Invoices issued during last three months showing the difference in price (excluding duty and taxes) to substantiate that the benefit of difference in price is passed on to the local buyers.

4. **Methods Adopted to Determine Customs Values:** Valuation methods given in Section 25 of the Customs Act, 1969, were followed in sequential order to arrive at customs values of blankets. Transaction value method provided in Section 25 (1) was found inapplicable because the requisite information was not available. Identical/similar goods value methods provided in Section 25(5) & (6) were examined for applicability to the valuation issue in the instant case which provided some reference values but the same could not exclusively relied upon due to

wide variations in the declared values of the subject goods. Thereafter, market enquiry of the subject goods as envisaged under Section 25(7) of the Customs Act, 1969, was conducted. The prices of different types of blanket in the market varied significantly and were heavily dependent on quality of the blankets and the location of the selling points or shops in the city. The computed value method as provided in Section 25(8) of the Customs Act, 1969, could not be applied for valuation of afore-mentioned goods as the conversion costs of the constituent materials at the country of export were not available. All the information so gathered was evaluated and analyzed for the purpose of determination of customs values. Consequently, the customs values of blankets have been determined under section 25(9) of the Customs Act, 1969.

5- Customs Values of Blankets: Blankets of different qualities and various origins *hereinafter specified*, shall be assessed to duty/taxes at the following minimum Customs values.

7- **Validity of Valuation Ruling:** The values determined vide this Ruling shall be the applicable Customs values for assessment of subject imported goods until and unless it is rescinded or revised by the competent authority in terms of Sub-Sections (1) or (3) of Section 25-A of the Customs Act, 1969.

8- **Revision of the Value Determined vide this Valuation Ruling:** A revision petition may be filed against this Ruling, as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue, before the Director General, Directorate General of Customs Valuation, 7th Floor, Custom House, Karachi.

9- The Collectors of Customs may kindly ensure that the values given in this Valuation Ruling for the given description of goods are applied by the concerned staff without fail. Any

anomaly observed may kindly be brought to the notice of Directorate General immediately. HS Codes are mentioned for illustrative purpose so that valuation ruling values are made accessible to the assessing officers. The assessment shall be finalized on the basis of correct classification after fulfilling requisite formalities related to importability or any other certification required thereon. In addition to this, it is further necessary to verify that there is no mis-declaration of any sort or violation of Import Policy Order or Section 15 of the Customs Act, 1969 or any other law in vogue therein.

10- This ruling supersedes Valuation Ruling No.979/2016, dated 25-11-2016.
