**DETERMINATION OF CUSTOMS VALUES OF CABLE WIRE LOCK UNDER
SECTION 25-A OF THE CUSTOMS ACT, 1969**

(VALUATION RULING NO. 1447 / 2020)

No. Misc/14/20109-VI/3045

Dated: 12-05-2020

In exercise of the powers conferred under Section 25-A of the Customs Act, 1969, Customs values of Cable Wire Locks are determined as follows: -

Background of the valuation issue: The Customs Values of Cable Wire Locks were determined vide Valuation Ruling No 731/2015 dated 18-05-2015. As the ruling was very old and values in the international market had shown upward trend, an exercise was initiated to determine the Customs values afresh of Cable Wire Locks under Section 25-A of the Customs Act, 1969.

3. **Stakeholders' participation in determination of Customs values:** Meeting with stakeholders was held on 09-01-2019. The participants were requested to submit following documents before or during the stakeholders meetings.

- i) Invoice of Imports made during last three months showing factual value.
- ii) Websites, names and E-mail address of known foreign suppliers / manufacturers of the item in question through which the actual current value could be ascertained.
- iii) Copies of contracts made / LCs opened during the last three months showing the value of items in question.
- iv) Copies of Sales Tax paid invoices issued during last four months (excluding duty and taxes) to substantiate the contentions of the importers.

4. Representative of M/s Shaheen Enterprise, Karachi, M/s Light Corporation Karachi and representative of Karachi Chamber of Commerce & Industries, appeared in meeting and contended that the values of iron and steel had basically declined in the international market and thus the values may either be reduced or kept unchanged. No one, however, submitted any documents to support the contention.

5. **Method adopted to determine Customs values:** Valuation methods given in Section 25 of the Customs Act, 1969 were applied sequentially to address the valuation issue at hand. Transaction value method under Sub-Section (1) of Section 25 of the Act ibid was found inapplicable because required information under the law was not available. Identical and

Similar Goods valuation methods provided in Sub-Sections (5) and (6) of Section 25 of the Customs Act, 1969 provided some reference values but due to wide variations in the declarations the same could not be relied upon exclusively. In the sequential order this office conducted market inquiries in terms of Sub-Section (7) of Section 25 of the Customs Act, 1969 and found this method appropriate to arrive at the customs values of the subject items. Accordingly the customs values of Cable Wire Lock are determined under Sub-Section (7) of Section 25 of the Customs Act, 1969.

6. **Customs values for Cable Wire Lock:** Cable Wire Lock *hereinafter* specified shall be assessed to duty/taxes at the following Customs values: -
