**DETERMINATION OF CUSTOMS VALUES OF SPICES, HERBS & EDIBLE GUMS
UNDER SECTION 25A OF THE CUSTOMS ACT, 1969**

C. No. Misc/15/2016-1 / 1982. (VALUATION RULING NO. 1572/2021)

Dated: 29/11-2021

In exercise of the powers conferred under Section 25A of the Customs Act, 1969 Customs values of Spices, Herbs & Edible Gums are determined as follows:-

2- **Background of the valuation issue:** Earlier, the customs values of Spices, Herbs & Edible Gums were determined under Section 25A of the Customs Act, 1969 vide Valuation Ruling No.1492/2020 dated 25-11-2020. The Valuation Ruling was upheld vide order in revision No.26/2021 dated 23-08-2021 under section 25D of Custom Act, 1969. The stakeholders challenged the same before hon'ble Appellate Tribunal. Several representations from importers were received for revision of this valuation ruling in line with the current market prices and freight factor. In view of the foregoing, an exercise was undertaken by the Directorate General of Customs Valuation to re-determine the Customs Values of subject goods in terms of Section 25A of Customs Act, 1969.

3- **Stakeholders' participation in determination of Customs values:** Meetings were held on 28-10-2021, 10-11-2021, & 17-11-2021 with the stakeholders of subject goods. The stakeholders contended that the existing customs values are on higher side. It was further contended by the stakeholders that subject goods are consumer goods and are sold in frequency at the local retail and commercial level and that the local market prices have gone down these days. However, the importers requested that such factors may be considered while determining value of the subject goods. The stakeholders were requested to submit the relevant import documents.

4- **Method adopted to determine Customs values:** Valuation methods provided in Section 25 of the Customs Act, 1969, were duly applied in their regular sequential order to arrive at customs values of subject goods. The transaction value method as provided in Sub-Section (1) of Section 25 of the Customs Act, 1969, was found inapplicable because requisite information was not available as per law. The wide variation of values displayed in the import data as available on record also strengthened the aforementioned fact. Hence requisite information under law was not available to arrive at the transaction value. Therefore, identical / similar goods value methods as provided in Sub-Sections (5) & (6) of Section 25 ibid were examined for applicability to the valuation issue in the instant case. The same

provided some reference values but could not be exclusively and solely relied upon. In line with the statutory sequential order of Section 25, this office conducted market inquiries under sub-Section (7) of section 25 of the Customs Act, 1969 however, this method of valuation could not be exclusively relied upon. Therefore, valuation method vide Section 25(8) was examined for valuation but the same also could not be applied as conversion cost from the constituent material and allied expenses, at the country of export were not available for manufacturing of the subject goods. Finally, clearance data, market information and international prices through internet were examined thoroughly and the information so gathered were utilized and analyzed for determination of customs values of the subject goods under Section 25 (9) of the Customs Act, 1969.

5- **Customs values for Spices, Herbs & Edible Gums – hereinafter specified** shall be assessed to duty/taxes at the following minimum Customs Values:-
