

20.01 - Vegetables, fruit, nuts and other edible parts of plants, prepared or preserved by vinegar or acetic acid.

2001.10 - Cucumbers and gherkins

2001.90 - Other

This heading covers vegetables (see Note 3 to this Chapter), fruit, nuts and other edible parts of plants prepared or preserved by means of vinegar or acetic acid, whether or not containing salt, spices, mustard, sugar or other sweetening matter. These products may also contain oil or other additives. They may be in bulk (in casks, drums, etc.) or in jars, bottles, tins or airtight containers ready for retail sale. The heading includes certain preparations known as pickles, mustard pickles, etc.

The goods covered by this heading differ from sauces of **heading 21.03** in that the latter are mainly liquids, emulsions or suspensions, which are not intended to be eaten by themselves but are used as an accompaniment to food or in the preparation of certain food dishes.

The principal products preserved by the methods described in this heading are cucumbers, gherkins, onions, shallots, tomatoes, cauliflowers, olives, capers, sweet corn, artichoke hearts, palm hearts, yams, walnuts and mangoes.
