

## 78.02

### 78.02 - Lead waste and scrap.

The provisions concerning waste and scrap in the Explanatory Note to heading 72.04 apply, *mutatis mutandis*, to this heading.

This heading **does not cover** :

- (a) Slag, ash and residues from the manufacture of lead (e.g., lead matte) (**heading 26.20**).
- (b) Ingots and similar unwrought forms cast from remelted lead waste and scrap (**heading 78.01**).
