**DETERMINATION OF CUSTOMS VALUES OF HONEY UNDER SECTION 25A  
OF THE CUSTOMS ACT, 1969**

(VALUATION RULING NO. 1704—/2022)

No. Misc/33/2016-I/1275.

Dated: 08 -12- 2022

In exercise of the powers conferred under Section 25A of the Customs Act, 1969, the Customs Values of Honey are determined as follow:

**Background of the valuation issue:** Earlier, the Customs values of Honey were determined under Section 25A of the Customs Act, 1969 vide Valuation Ruling No.1569/2022 dated 19-11-2022. However, the Collectorate of Customs (Appraisement), Lahore asked this Directorate General of Customs Valuation regarding clarification in import of bulk packing (Honey) as required in Order-in-Original No.490/2022 dated 31.08.2022 passed by the Collectorate of Customs (Adjudication), Lahore. In this regard, Directorate General of Customs Valuation, Karachi initiated an exercise to re-determine the customs values of Honey as well bulk packing.

2. **Stakeholders' participation in determination of Customs values:** Meetings were convened on 27.10.2022 and 17.11.2022 which were attended by all the relevant stakeholders. The issues pertaining to the valuation of subject goods were deliberated upon in detail in the afore-referred meetings.

3. **Analysis / Exercise done to determine Customs Values:** Ninety (90) days clearance data has been retrieved and the same has been scrutinized. Subsequently, Market inquiry has been conducted and examined in the light of this Directorate's Office Order no. 17/2014 dated 19.03.2014 and in terms of Section 25 (7) read with Section 25 (9) of the Customs Act, 1969.

4. **Method (s) adopted to determine Customs values:** Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the Customs value of subject goods. The transaction value method as provided in sub-section (1) Section 25 the Customs Act, 1969, was found inapplicable due to wide variation of values in import data. Moreover, the requisite information under law was not available to arrive at correct/ transaction value. Therefore, identical/similar goods value methods provided in Section 25(5) (6) ibid were examined for applicability to determine Customs value of subject goods. The data provided some reference; however, it was found that the same could not be solely relied upon due to absence of absolute demonstrable evidences of quantities and

qualities, variation in declaration, variety and specifications. Information available was, hence, found inappropriate. In line with statutory sequential order of Section 25 of the Customs Act, 1969, this Directorate conducted market survey under sub-Section (7), read with Section 25 (9), of Section 25 of the Customs Act, 1969. Various Retail Markets were visited to observe the actual prices of Honey. On the basis of available data / information collected and exercise conducted, the values of Honey have been determined under sub-Section (7), read with Section 25 (9), of Section 25 of the Customs Act, 1969.

5. **Customs values of Honey:** Honey, hereinafter specified, shall be assessed to duty / taxes at the Customs values as per attached Annexure-A.

6. In cases, where declared values are higher than the Customs values determined in this Ruling, the assessing officers shall apply those values in terms of sub-Section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officers shall take into account the difference between air freight and sea freight while applying the Customs values in this Ruling.

7. **Validity of this Valuation Ruling:** This Ruling, containing the Customs Values for assessment of subject imported goods, shall be applicable until and unless the same is rescinded or revised by the competent authority in terms of Sub-section (4) of Section 25A of the Customs Act, 1969.

8. **Revision of the values determined vide this Valuation Ruling:** If aggrieved, a revision petition may be filed against this ruling as provided under Section 25D of the Customs Act, 1969, within 30 days from the date of its issuance, before the Director General, Directorate General of Customs Valuation, 7<sup>th</sup> Floor, Custom House, Karachi.

9. The Collectors of Customs may kindly ensure that the values given in the Valuation Ruling, for the given description of goods, are applied by the concerning assessing officers / officials without fail. Any anomaly observed may kindly be brought to the notice of this Directorate immediately. The Customs values determined in the ruling are for the descriptions and specifications as mentioned in the attached table of Annexure-A of this Ruling. HS Codes are mentioned for illustrative purposes so that Valuation Ruling is made accessible to the assessing officers. The assessments shall be finalized on the basis of correct classifications after fulfilling all formalities related to importability or other certifications required thereon.

10. ***This ruling supersedes Valuation Ruling No.1569/2022 dated 19-11-2021.***
