**DETERMINATION OF CUSTOMS VALUES OF DRY FIGS UNDER SECTION 25A**  
**READ WITH PROVISIO TO SECTION 25A (1) OF THE CUSTOMS ACT, 1969**

(Publication Value Reference No. **19** / 2023)

C.No. Misc.Figs/03/2023-I **1422**

Dated: **14** 04-2023

In exercise of the powers conferred under Section 25A read with proviso to Section 25A(1) of the Customs Act, 1969, the Customs values of Dry Figs are determined as follows:

**Background of the valuation issue:** Earlier, the Customs values of Dry Figs were determined under Section 25A of the Customs Act, 1969 vide Valuation Advice issued vide C.No. Misc/68/2016-I/5551 dated 31-12-2020. An exercise has been undertaken by this Directorate to re-determine the Customs values afresh in line with values prevalent in the international market.

2. **Analysis / Exercise done to determine Customs Values:** In this regard, meeting dated 15.03.2023 was held in the Directorate of Customs Valuation, Karachi but no relevant stakeholder appeared in the meeting. Moreover, Ninety (90) days' clearance data has been retrieved and the same has been scrutinized. Subsequently, prices retrieved from the international publication, namely Public Ledger, showing price trend of the subject goods in the international market, have been examined.

3. **Method (s) adopted to determine Customs values** The Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to absence of information as required under sub-section (2) of Section 25 of Customs Act, 1969. Therefore, identical/similar goods value methods provided in Section 25(5) & (6) ibid were examined for applicability to determine Customs values of subject goods. The data provided some references; however, it was found that the same could not be solely relied upon due to absence of absolute demonstrable evidence of quantities and qualities and variation in declaration. Information available was, hence, found incomplete. In line with statutory sequential order of Section 25 of the Customs Act, 1969, this Directorate conducted market survey under sub-section (7) of Section 25 of the Customs Act, 1969. Various Retail/Wholesale markets were visited to observe the actual prices of Dry Figs. Subsequently, information was collected from international publication, i.e. Public Ledger, and thoroughly scrutinized and compared with the import data of the relevant period to determine Customs values. Finally, Dry Figs have been determined under sub-section (5), read with Section 25(9), of Section 25 of the Customs Act, 1969.

4. **Customs values for Dry Figs:** Dry Figs, hereinafter specified, shall be assessed to duty / taxes at the following Customs values:-

S.No.	Description of Goods	PCT Code	Proposed PCT for WeBOC	Origin	Customs Values C&F (US\$/Kg)
(1)	(2)	(3)	(4)	(5)	(6)
1	Dry Figs	0804.2000	0804.2000.1000	Afghanistan / Iran	0.71
			0804.2000.1100	Turkey	0.80

5. In cases, where declared values are higher than the so determined Customs values, the assessing officers shall apply those values in terms of sub-section (1) of Section 25 of the Customs Act, 1969. In case of consignments imported by air, the assessing officers shall take into account the difference between air freight and sea freight while applying the Customs values in this Ruling.

6. **Validity of these Publication values:** The Customs values for assessment of subject imported goods, shall be applicable until and unless the same are rescinded or revised by the competent authority in terms of sub-section (4) of Section 25A of the Customs Act, 1969.

7. **Revision of the determined Publication values:** In case of disagreement (with such customs values) by any importer/exporter, the assessing officer shall give the reasons in writing and shall issue an Assessment Order which shall be appealable before the Collector (Appeals) under Section 193 of the Customs Act, 1969. Further, if aggrieved, a revision petition may be filed against the determined values as provided under Section 25-D of the Customs Act, 1969, within 30 days from the date of issue of these publication values before the Director General, Directorate General of Customs Valuation, 7<sup>th</sup> Floor, Custom House, Karachi.

8. The Collectors of Customs may kindly ensure that the said determined values are applied by the concerned assessing officers/officials without fail. Any anomaly observed may kindly be brought to the notice of the Directorate of Customs Valuation, Karachi immediately. Customs values determined in the Publication value are for the description and specification as mentioned in the table above of this Publication Value. PCT Codes are mentioned for illustrative purposes so that Publication values are made accessible to the assessing officers. The assessment shall be finalized on the basis of correct classification after fulfilling requisite formalities related to importability or any other certifications required thereon. In addition to this, it is further necessary to verify that there is no mis-declaration of any sort or violation of Import Policy Order or Section 15 of the Customs Act, 1969 or any other law in vogue therein.

9. **These Publication Values Reference supersedes Sr. No. 20 of Valuation Advice issued vide C.No. Misc/68/2016-I/5551 dated 31-12-2020.**
