**DETERMINATION OF CUSTOMS VALUES OF ONE SIDE COATED DUPLEX BOARD (GREY BACK) AND TWO SIDE COATED PACKAGING BOARDS UNDER SECTION 25A OF THE CUSTOMS ACT, 1969**

(Valuation Ruling No. 1800 / 2023)

C.No. Misc/07/Pub/DB/2023-III / 838

Dated: 12-09-2023

In exercise of the powers conferred under Section 25A of the Customs Act, 1969, the Customs values of One Side Coated Duplex Board (Grey Back/other than Grey Back- 300 GSM and above) and Two Side Coated Packaging Board (230 GSM and above) are determined as follows:

2. **Background of the valuation issue:** Earlier, the Customs values of subject goods were determined under Section 25A of the Customs Act, 1969 vide Publication Value Reference No. 05/2023 dated 03-01-2023. However, different stakeholders requested to re-determine Customs values afresh in line with values prevalent in the international market. Therefore, an exercise has been undertaken by this Directorate to determine the same.

3. **Stakeholders' participation in determination of Customs values:** Meeting was convened on 07-09-2023 which was attended by all the relevant stakeholders. The issues pertaining to the valuation of subject goods were deliberated upon in detail in the afore-referred meetings. The stakeholders contended that the international prices have declined approximately upto 30% on Pulp (Raw material for paper) and 15% on Packaging Board. They further contended that the overall freight has also decreased, thus, resulting in decreased import values of subject items. They submitted their proposals for consideration and the same were considered pertaining to the valuation of subject goods.

4. **Analysis / Exercise done to determine Customs Values:** In this regard, Ninety (90) days' clearance data has been retrieved and the same has been scrutinized. Contentions of the importers have been evaluated and are found to be misplaced on the basis of their own declarations filed at the import stage for clearance of the subject goods.

5. **Method (s) adopted to determine Customs values:** The Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was considered. However, the same was found inapplicable because of absence of necessary information as required under sub-section (2) of Section 25 of Customs Act,

1969. Therefore, identical goods value method provided in Section 25(5) ibid was examined for applicability to determine Customs values of subject goods. Analysis of clearances (during the past three months) of the said items is undertaken which has reflected that - in case of 2/s Coated Packaging Board – the importers themselves declared (in majority of the Goods Declarations) values which are in the range from US\$ 640 PMT to US\$ 700 PMT. Finally, the values of One Side Coated Duplex Board (Grey Back- 300 Gsm and above) and Two Side Coated Packaging Boards have been determined in terms of Section 25 (5) read with Section 25(9) of the Customs Act, 1969.

**6. Customs values for One Side Coated Duplex Board (Grey Back- 300 GSM and above) and Two Side Coated Packaging Boards:** One Side Coated Duplex Board (Grey Back- 300 GSM and above) and Two Side Coated Packaging Boards, hereinafter specified shall be assessed to duty / taxes at the following Customs values:-
