DETERMINATION OF CUSTOMS VALUES OF PLASTIC RAW MATERIALS UNDER SECTION 25A READ WITH PROVISO TO SECTION 25A (1) OF THE CUSTOMS ACT,

1969

(Publication Value Reference No. 04/2023)

C.No. Misc/01/Pub/PRM/2023-II/0016.

Dated: 03 -01-2023

In exercise of the powers conferred under Section 25A read with proviso to Section 25A(1) of the Customs Act, 1969, the Customs values of Plastic Raw Materials are determined as follows:

Background of the valuation issue: It has been noticed that Plastic Raw Materials are imported into Pakistan from different origins. Since, the determination of customs value of these items are not done under Section 25A of Customs Act, 1969, therefore, an exercise has been undertaken by this Directorate to determine the Customs values of the same in order to address under-invoicing in import of the said items.

2. **Analysis / Exercise done to determine Customs Values:** In this regard, Ninety (90) days' clearance data has been retrieved and the same has been scrutinized. Subsequently, prices retrieved from the international publication, namely PLATTS, showing price trend of the subject goods in the international market, have been examined.

3. **Method (s) adopted to determine Customs values:** The Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was considered. However, the same was found inapplicable because of absence of necessary information as required under sub-section (2) of Section 25 of Customs Act, 1969. Therefore, identical goods value method provided in Section 25(5) ibid was examined for applicability to determine Customs values of subject goods. However, the same could not be relied upon since the evidences in the ninety (90) days' data are based on the erstwhile international market prices which have changed now. Subsequently, available data / information collected through international publication i.e. PLATTS was thoroughly scrutinized and compared with the import data of the relevant period to determine Customs values. Finally, the values of Plastic Raw Materials have been determined in terms of Section 25A read with proviso to Section 25A(1) of the Customs Act, 1969.

4. **Customs values for Plastic Raw Materials thereof):** Plastic Raw Materials, hereinafter specified shall be assessed to duty / taxes at the following Customs values:-
