1.	Valuation Ruling	This Valuation Ruling supersedes Valuation Ruling No. 885/2016 dated 25.07.2016.
2.	Date of meeting with stakeholders	The meeting with relevant stakeholders was conducted on 22.09.2026.

Background of the Issue: The customs values of Infusion Giving Sets were previously determined vide Valuation Ruling No. 885/2016 dated 25.07.2016. Since considerable time has elapsed and the existing Valuation Ruling was more ten years old, it was considered necessary to review the determined customs values in the light of prevailing international prices, current import trends and other relevant factors. Accordingly, the Directorate initiated proceedings for determination of the customs values of the subject goods under Section 25A of the Customs Act, 1969 (hereinafter called "the Act"). Accordingly, meeting notices were issued to the importers and other concerned stakeholders, inviting them to participate in the valuation proceedings and submit relevant documentary evidence, including import documents, invoices, and other information considered necessary for determination of the customs values.
